### CAPTAIN MARVEL TO THE RESCUE!

Can you help Captain Marvel defend the Universe from The Kree?

## TRAIN LIKE BLACK PANTHER

- 1 Choose one person to be Black Panther.
- 2 Black Panther starts by calling out the name of a warrior move like star jumps, press ups, running on the spot. Everyone else must do that move.
- 3 Keep moving until Black Panther shouts "Wakanda forever!" Everyone must stand and fold arms across their chest, right arm over their left in the classic Wakanda pose.
- 4 The last person to pose is out. Black Panther starts again with a new move.
- 5 Keep going until one person is left – they are the new Black Panther.

## BUZZ LIGHTYEAR'S SUPERBOWL

- 1 Get a ball – the bouncier, the better.
- 2 Choose someone to be Buzz Lightyear.
- 3 Buzz Lightyear shouts "Go!" and everybody else runs away.
- 4 After counting out loud to five, Buzz Lightyear throws the ball up into the air and everyone tries to catch it.
- 5 Whoever catches it takes over as Buzz Lightyear and the game starts again.

## ELSA'S FREEZE TAG

- 1 Choose one person to be Elsa. Everyone else is a Snowgie on the loose and runs away.
- 2 Elsa counts to 10, then chases after the Snowgies.
- 3 If she touches you, then you must freeze like a statue with your legs apart.
- 4 If someone who hasn't been touched crawls through – you are unfrozen and back in the game.
- 5 The last Snowgie to be frozen becomes the new Elsa.

## OLAF'S SNOWBALL DODGE

- 1 Mark out the sleigh using socks.
- 2 Choose one person to start as Olaf, and one to be Sven.
- 3 Everyone else is a Snowgie who take turns to throw snowballs – made of scrunched up paper – at Olaf and Sven.
- 4 Olaf has to dodge or catch them, but he can't step out of the sleigh. Sven must try to deflect them.
- 5 If Olaf is hit, then he has to swap places with the Snowgie who hit him.

## WOODY'S ROUND UP

- 1 Choose one person to be Woody, to face a wall.
- 2 Everybody else plays The Aliens and they line up some distance away.
- 3 The Aliens shout "What time is it Woody?" and without turning round, Woody shouts out a time.
- 4 If Woody shouts "It's 2 o'clock!", the Aliens take that many steps forward.
- 5 The Aliens keep asking Woody what the time is, until he answers "It's round-up time!" when he turns and chases the Aliens. The first Alien he catches becomes Woody and the game begins again.

## HULK'S HERO MISSION

- 1 Mark out a start and finish line.
- 2 Get 3 soft toys and put them by the start line.
- 3 One person is Hulk, and should carry one toy at a time from the start to the finish line.
- 4 No running! Leap and jump like Hulk but be careful – start again if the toy is dropped. Make sure someone keeps time.
- 5 Swap so each player gets to be Hulk. The fastest time wins!

## JESSIE'S RODEO RIDE

- 1 Mark out a start and finish line.
- 2 Split up into teams if you are with friends and stand at the start line.
- 3 Shout "Go!" and gallop – try galloping sideways too – to the finish line as quickly as you can.
- 4 Then, if you are in a team, the next person goes and if you finish first, shout "yeee-haw" – you win.
- 5 Keep going for 10 minutes.

## CAPTAIN AMERICA'S SUPER STRIKE

- 1 Scrunch up some paper into balls and put them in a container like a bucket or laundry basket.
- 2 One person is Captain America and must empty the container, throwing out one ball at a time.
- 3 The other player is Loki and must try and throw the balls back in.
- 4 Captain America can use their hands as a shield to strike the balls away.
- 5 If Captain America empties the container then he wins. If Loki fills it, he wins.

## IRON MAN DEFENDS THE TESSERACT

- 1 Choose one person to be Iron Man, and get an object like a ball to be the Tesseract. Form a circle and put it in the centre.
- 2 Everyone else must try and grab the Tesseract, without getting tagged by Iron Man.
- 3 If you're tagged, you become Iron Man. If you grab the Tesseract, you win a point.
- 4 Keep going, and keep score. Whoever has the most points after 10 minutes is the winner!

## CAPTAIN MARVEL TO THE RESCUE!

- 1 On 10 sheets of paper, write the word SAFE on one side and DANGER on the other.
- 2 One person is Captain Marvel, and the other is a Kree warrior.
- 3 The Kree throws all the sheets into the air and starts a one minute timer. The Kree must turn over the papers to DANGER – Captain Marvel turns them back to SAFE.
- 4 The winner is the one with the most number of their sides up after one minute.
- 5 Swap players and try again or keep adding more sheets of paper!

## KRISTOFF'S WARM UP

- 1 It's a cold day in Arendelle! Run on the spot then do five star jumps or push ups.
- 2 Jump up as high as you can and do your best Kristoff yodel at the same time.
- 3 Start again – and now when you jump up, shout out your favourite things about summer to make you feel warmer – sunshine, seaside, BBQs...
- 4 Keep going for 10 minutes.

## BLACK WIDOW'S SECRET SPY MISSION

- 1 Divide an area in two. Get scrunched up paper and split into two teams – Black Widow spies vs the Enemy Guards.
- 2 The Enemy Guards team throws the paper at the Black Widow team.
- 3 The Black Widow team have to duck, and weave – but don't leave their area! If you get hit, you're 'out' and go to spy jail.
- 4 If you catch the paper, you can bring one 'out' spy back onto your team.
- 5 Then, switch teams to play again.
